Personality & Backstory

Art 2 was born in a remote gnome village, where she quickly stood out for her cunning and manipulative nature. She honed her magical abilities under the guidance of the village's elder wizard, but she soon grew bored of their simplistic ways. Seeking more power and influence, Art 2 left her village behind and set out into the world, using her intelligence and charm to manipulate others to do her bidding. With a knack for deception and a thirst for power, Art 2 will stop at nothing to achieve her goals, no matter who gets in her way.
Despite her small stature, Art 2's sharp mind and ruthless ambition make her a force to be reckoned with in any situation.
