**Personality & Backstory**

Art 4 was born in a small Tiefling village, where her chaotic nature was clear from a young age. She found solace in the natural world around her, eventually becoming a druid to harness its power. Growing bored of her village, she left to travel the lands, using her performer background to entertain and survive. Fluent in Common and Infernal, she uses her charm to navigate any situation, often causing mischief along the way. Art 4's true loyalty lies with herself, always chasing the next thrill or adventure.
