Personality & Backstory

Auraxis was once revered in his small village for his powerful magic and daring deeds, until a dark force corrupted his soul, turning him into a chaotic evil sorcerer. Using his draconic powers, he terrorized the very people he once protected, delighting in chaos and destruction. Despite his villainous ways, many still remember the hero he once was, unsure of what twisted fate befell him. Now, Auraxis roams the land, spreading fear and despair wherever he goes, his once noble intentions twisted into a malevolent thirst for power and domination.
Beware the wrath of Auraxis, for his magic knows no bounds.
