Backstory & personality

Brondor was born in a remote Dwarven outpost, where he learned the tenets of discipline and order from his Paladin father. However, during a raid by rival clans, his family was slaughtered and Brondor was captured and sold into slavery. Enduring years of abuse and cruelty, Brondor hardened his heart and his resolve, vowing to seek vengeance on those who wronged him. Eventually escaping, he now roams the land as a ruthless enforcer of justice, using his righteous powers to mete out his own brand of punishment. With a steely gaze and a relentless sense of justice, Brondor strikes fear into the hearts of wrongdoers wherever he goes. But beneath his stoic exterior lies a simmering rage, fueled by the injustices he has suffered. Despite his adherence to a strict code of ethics, Brondor's sense of righteousness is tainted by his thirst for revenge. His actions are driven not by compassion
