Backstory & personality

Eldryn grew up in a small village on the outskirts of the forest, raised by his human father and elven mother. Trained as a spy from a young age, he honed his skills in espionage and combat, blending seamlessly into any environment. His innate sense of justice led him to take up the mantle of a paladin, using his abilities to protect the innocent and uphold the law. Fluent in Common, Elvish, Sylvan, and Infernal, Eldryn can easily navigate the diverse social circles of the world. Now, he travels the land, seeking out evildoers to bring to justice and spreading his message of peace and harmony to all who will listen. This half-elf paladin's past may be shrouded in secrecy, but his commitment to righteousness is unwavering.
