Backstory & personality

Wolf 8 was born to a tribe of orc raiders, but he never quite fit in. He was drawn to the mystical powers of nature instead of the brutal ways of his kin. As he grew older, he became a spy for his tribe, using his druidic abilities to gather information on their enemies. However, Wolf 8's true allegiance lies only to himself, and he is willing to betray anyone for his own gain. His chaotic nature and thirst for power drive him to manipulate and deceive others without hesitation. With his ability to speak Common, Orc, and Infernal, Wolf 8 is a master of deception and manipulation, using his languages to sow discord among his enemies. In the end, no one can truly trust the cunning half-orc druid known as Wolf 8.
