Backstory & personality

Wolf 9 was born into a secretive Gnomish clan that worships the balance of nature. As a young gnome, he displayed a natural affinity for magic and was sent to train as an acolyte in their temple. However, Wolf 9's thirst for knowledge and understanding led him to leave his clan and travel the world. He learned the ways of the arcane from various masters, always seeking to expand his magical abilities. Wolf 9 believes that true power comes from understanding all aspects of the world and strives to maintain balance in all things. Despite his small stature, he is respected by both allies and enemies for his wisdom and neutral stance in conflicts. "In the chaos of the world, I find solace in the balance of magic," Wolf 9 would often say.
