Backstory & personality

Wolf1 grew up in the bustling city of Hammerstone, where he learned to survive by his quick wit and street smarts. As a young dwarf, he found himself drawn to the ways of healing and kindness, leading him to a life of service as a cleric of Moradin. However, Wolf1 never quite shook off his petty crook background, often bending the rules for the greater good. He speaks both Common and Dwarvish fluently, using his language skills to negotiate and mediate in various situations. Despite his checkered past, Wolf1's heart is pure, and he is always ready to help those in need, using his talents to bring peace and justice to the world around him. In times of darkness, Wolf1 shines as a beacon of light and hope for those around him.
