Personality & Backstory

Zander 2 grew up in the rugged mountains, learning the ways of magic from her eccentric dwarf grandmother. Uninterested in traditional dwarf pursuits, she left her clan to explore the world. Zander 2 thrives on chaos, using her magic to sow discord and confusion wherever she goes. Her unpredictable nature and sharp wit make her a formidable foe and a dubious ally. Despite her chaotic tendencies, she is fiercely loyal to those she deems worthy of her trust. And so, Zander 2 roams the land, seeking adventure and reveling in the chaos she creates.
