Personality & Backstory

Zander 6 was born in a remote village, where he was always drawn to the forbidden knowledge of the ancient Eldritch beings. He struck a pact with a powerful entity in exchange for arcane powers, but his unpredictable nature and thirst for chaos led him to part ways with his former community. Roaming the wilds, Zander 6 uses his magic to both help and hinder those he encounters, always keeping them guessing with his dual nature. Despite his shifty ways, his charm and wit make him a fascinating ally or foe to anyone he meets. Zander 6 is a force of nature, bound by no rules but his own twisted desires.
