| Background: | Petty Crook |
| Backstory: | Draxendir grew up on the streets of a bustling city, learning to survive by what ever means necessary. His reputation as a skilled pickpocket and con artist earn ed him a place among a group of petty thieves, where he honed his skills in stea lth and deception.■■As a Dragonborn, Draxendir always felt like an outsider in h uman society, relying on his natural strength and imposing presence to intimidat e those who stood in his way. However, his true power lay in his sharp wit and a bility to manipulate others to do his bidding.■■Despite his chaotic nature and w illingness to break the law for personal gain, Draxendir is not without a code o f honor. He may steal and deceive, but he never harms the innocent or betrays hi s comrades. His loyalty only lies with those who have proven themselves worthy o f his trust.■■In conversations, Draxendir switches effortlessly between Common a nd Draconic, using his knowledge of both languages to his advantage during negot iations and interrogations. His deep, gravelly voice carries a hint of menace, k eeping those around him on edge.■■Draxendir's ultimate goal is to amass enough w ealth and power to elevate himself above the constraints of mortal society, beco ming a true force to be reckoned with in the criminal underworld. And he will st op at nothing to achieve his ambitions.■■With a gleam of mischief in his eyes, D raxendir smirks and says, "In this world, you either seize opportunities or beco me someone else's pawn." |
