Mira was raised in a strict household where honesty and justice were valued above all else. Trained as a spy in her youth, she honed her combat skills and learned to speak Celestial and Goblin to better navigate different social circles. Despite her training, Mira always upheld her moral code and never compromised her principles. Now, she travels the land as a mercenary, using her skills to fight injustice and protect the innocent. Mira's unwavering dedication to doing what is right makes her a formidable ally and a feared enemy.
