Rockey grew up on a small farm in the outskirts of an elven village, where she learned the ways of tending crops and caring for livestock. After a band of raiders attacked her village, she swore an oath to protect her people and seeks to bring justice to those who would cause harm. She traveled to different lands, honing her skills in combat and divine magic, finding a balance between good and evil. Despite her dedication to her cause, Rockey remains true to her neutral nature, always weighing the consequences of her actions. She speaks fluently in both Common and Elvish, allowing her to communicate with a diverse range of beings. In her heart, she knows that true justice lies in finding harmony between all beings. In a world full of chaos, Rockey stands as a beacon of balance and peace.
