# Spellbook

A was born to a proud and ancient Dragonborn clan, but felt disconnected from their warrior traditions. Instead, he excelled in academics and spent his days delving into ancient texts and lore. A fascination with languages led him to learn not only Draconic, but also Infernal. Feeling stifled by his clan's rigid hierarchy, A struck out on his own as a rogue, using his sharp mind and silver tongue to navigate the criminal underworld. Despite his morally ambiguous actions, A always follows his own code of ethics, seeking balance in all things. Now, he travels the world in search of knowledge and adventure, always ready to adapt to any situation that comes his way. With a sly grin, A adjusts his cloak and disappears into the shadows, ready for his next heist.
