Backstory & personality

Eldras was born to a human mother and elven father, raised in a secretive group of spies. Trained in combat and deception, he excelled in his duties until he discovered a plot to bring chaos to the land. Refusing to let evil prevail, Eldras vowed to use his skills for good as a paladin. He now travels the land, seeking to bring justice and peace to all he encounters. "May my actions speak louder than words," Eldras thought, ready for whatever challenges lie ahead.
