Backstory & personality

Tesh3 was a member of a notorious criminal organization that operated in the underbelly of the city, using her unique abilities as a Druid to aid in their illegal activities. However, after a botched mission that ended in the death of an innocent bystander, Tesh3's conscience could no longer stomach the harm they were causing. She left the organization behind and retreated to the wilderness, where she honed her Druidic abilities and reconnected with her Dragonborn heritage. Now she uses her skills to protect the balance of nature and seeks redemption for her past sins. Through her actions, Tesh3 strives to make amends for the harm she has caused and find inner peace.
