Backstory & personality

Tesh5 was born into a respected Dragonborn clan known for their cunning and deceitful ways. Despite her scholarly upbringing, Tesh5 found more joy in using her silver tongue to manipulate others for personal gain. As she honed her musical talents, she also studied ancient texts and artifacts, acquiring knowledge of dark magics and forbidden rituals. Tesh5 travels the land, charming her way into the hearts of her enemies before betraying them without remorse. She uses her linguistic skills to sow discord and chaos wherever she goes, always seeking power and wealth for herself. In her quest for dominance, Tesh5 will stop at nothing to achieve her goals, leaving a trail of destruction in her wake. "I may sing sweet melodies, but my heart is as cold as the deepest abyss," Tesh5 murmurs with a wicked grin.
