Personality & Backstory

Zander 11 was abandoned as a baby on the streets of a bustling city, forced to steal and fight to survive. He learned to worship a deity of chaos and vengeance, channeling his anger into a twisted code of honor. Using his skills as a paladin, he brings brutal justice to those who wrong the helpless like he once was. Zander 11 speaks Common and Dwarvish fluently, but his words are often laced with sarcasm and disdain. Despite his rough exterior, deep down he still yearns for acceptance and belonging in a world that has shown him little kindness. But deep down, Zander 11 knows that his chaotic nature and warped sense of justice will never truly allow him to trust or be trusted by others.
