Personality & Backstory

Zander 3 was raised in a temple dedicated to a deity of knowledge, where she honed her magical abilities through intense study and devotion. However, her insatiable curiosity and thirst for power soon drove her to explore darker, forbidden magics. Embracing her chaotic nature, she delved into the forbidden depths of Deep Speech, seeking forbidden knowledge and secrets. With her mastery over multiple languages, Zander 3 has become a manipulative and enigmatic figure, always one step ahead of her enemies. Now, she wanders the world in search of new and dangerous knowledge, her loyalty only to herself.
